Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Practical Font Design The Revised and Expanded Third Edition A rewritten, expanded 3rd edition including the second edition of part one and part two (on building book font families) plus new materials giving a practical walk through the process of designing a font and families. This is not about artistic considerations, but the practicalities of putting a font together. On the other hand, the design approach is fine art. David s training is as a fine art printmaker: etchings stone lithography. The basic procedure we use for font design is found in this book. It is a step by step following of new font designs with tips and comments along the way. A book to help graphic designers design fonts Here at the foundry we use FontLab 5 in the production of our fonts. Over the years we have developed over a hundred fonts. In the process we have picked up a lot of experience in the process of designing a font efficiently. This is not a book for programmers and scripters. This is a book...

### Reviews

*An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.*
