Page Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If sexual intercourse (copulation, Latin, coitus, Latin; fucking, Anglo Saxon; sleeping with, modern euphemism, sexing, modern euphemism) did not exist, neither would we. It is evolutionary biology s mechanism to provide for the means to perpetuate our species. (Forget the God bullshit.) If it were not pleasurable, the species likely would go extinct. Why would a female endure poking by a penis if such were not fun? Her erotic feelings encourage her to stick it out until the end, so to speak--that is, until she achieves glorious orgasm, the most pleasurable sensation a human can have. Who would not want a million of them? Reuben and Women . . . is about this pleasure. It is not a dirty tale. It is not about sexual perversion. It is not about sin. It is about humans enjoying their bodies--something theistic goons and imbeciles work day and night to profane. They ignore that Yahweh, their degenerate god, raped a virgin Jewess and impregnated her. That s okay with them, for the donothing bastard Jesus was really god in carnal form. God can do whatever God damn well pleases. But don t any of us rape a woman--not only felonious but also sinful. Readers not servile to some degenerate god will enjoy the novella--the best one ever written!.
