COLD FIRE

DOWNLOAD

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Cold Fire, Dean Koontz, 'There is an Enemy. It is coming. It is relentless.' Schoolteacher Jim Ironheart flies on an impulse to Portland, Oregon. There he risks his life to save a child from being killed. Reporter Holly Thorne witnesses his heroism, and is impressed by his self-effacement when he declines to be interviewed. Burnt out, cynical, and looking for a life beyond journalism, Holly finds her newshound's instincts rekindled when she discovers Jim has quietly performed twelve last-minute rescues in twelve far-flung places over the past four months. Realising she is on to the biggest story of her life, Holly traces Jim to California. He insists he is not a psychic; he simply believes God is working through him. Holly thinks his explanation is too easy, that there is no wonder in life, no great mystery. She is dead wrong. For she and Jim are soon plunged into a dark sea of wonder, mystery - and stark terror. And, on the run for their lives, they will be forced to confront a savage and uncannily powerful adversary.
