VEGAN NURSERY RHYMES

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.We all love nursery rhymes, but sadly many of them are now out-dated and not suitable for our expanding world of tiny vegans! In this book, Kate takes 20 of the best known nursery rhymes and veganises them in order to teach children the truth in a gentle and fun way. Parents who remember the original rhymes will have fun reading these alternatives to their little ones. They are also great for older children who are learning to read for themselves and looking for ways in which to explain their veganism to others. With beautiful illustrations throughout, this is a book for families to cherish.
