Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Charles Martin became frustrated with one-sided and confusing contracts offered by companies on websites and in emails. After years of practicing contract law, and of teaching and writing about electronic contracts, he decided to write a book for consumers, employees and businesses about those contracts. Every1 s Guide shows consumers and businesses how to protect themselves against unfair contract terms, and against non-compliance with contract and legal and regulatory requirements. It has 400 pages of examples of contract law rules in the context of everyday transactions, business deals, and website, email and text message contracts. Every1 s Guide includes sample print and electronic contracts, with hyperlinks between the contract text and the legal rules described in the ebook. It includes examples of consumer, business, and international contract disputes, with internal hyperlinks, and with a description of some practical lessons to be learned from these examples.
