THE NEW AMERICA: THE END OF THE BEGINNING

New Island Books, 2009. Paperback. Book Condition: BRAND NEW. Look beyond the American presidential election, and you will sense the beginning of a national reinvention. As the United States enter a new era, the age-old pioneering spirit of Americans and the cult of the individual are guiding that transformation, but so too is a combination of ethnic, generational and urban change. Mark Little's central thesis predicts a power shift from the east coast to the southwest of America, based on the stream of population migration in that direction, and explores the challenges ahead, nationally and globally. Now, as Barack Obama's presidential victory has stamped its mark on the political landscape for ever, Little's new edition of this bestseller will come to even more radical and far-reaching conclusions on the changes we all are witnessing. Mark Little is presenter of the RTE current affairs programme, Prime Time, having previously held the position of RTE's Foreign Affairs Correspondent and Washington Correspondent, covering three US presidential election campaigns. The New America closely corresponds to his recent documentary series American Dream: Dead or Alive? (2008), and his previous books with New Island include Turn Left at Greenland (2002) and Zulu Time (2004). 280 pages. 19.3 x 12.4 x 2 cm.
